Dear Mr. Welsh,

This is a follow up to final response to your 12 October 2022 Freedom of Information Act (FOIA) request in which you requested for:

an electronic copy of all emblems or logos created for the following Space Force groups.

- All three FIELDCOM Field Commands: Space Operations Command (SpOC), Space Systems Command (SSC) and Space Training and Readiness Command (STARCOM)
 - All Space Delta (DEL) groups, like Space Delta 3 for Space Electromagnetic Warfare and Space Launch Delta 30. A list is available on Wikipedia, though I expect your office may not need that assistance.
- https://en.wikipedia.org/wiki/Structure_of_the_United_States_Space_Force

As stated on my original final response letter dated 20 March 2024, the United States Space Force Space Operations Command (SpOC), Space Systems Center (SSC), and Space Training and Readiness Command (STARCOM) conducted a thorough and proper search for information related to your request. During this search, 83 documents were located responsive to your request. You requested that all files be released in a vector file format like SVG or EPS. We followed up with USSF FOIA points of contact at FLDCOM organizations with regards to obtaining logos and emblems in the SVG or EPS format. SSC and STARCOM responses are attached. According to SpOC, the format of the logos they provided are the only format they have. Moreover, they confirmed that those logos were not created or ever in the format (vector files) being requested.

For any further assistance and to discuss any aspect of your request, you have the right to contact the Air Force FOIA Public Liaison Officer, Mr. Robert Bivins, concerning this matter at AF FOIA Public Liaison Office (SAF/CN), 1800 Air Force Pentagon, Washington, DC 20330-1800, DAF.FOIA@us.af.mil or (703) 614-8500.
